AHHH SUMMER !!!!!

As many of you know the Alamo Chapter of the Smocking Arts Guild will not have any formal meetings during the summer, but mark your calendars for FRIDAY SEPT. 3, 1999 for our first meeting of the '99/2000 season and a very exciting slate of programs! The summer months are a great time to finish up those bonnet kits that you may still have checked out or start on your wardrobe contribution for our American Girl doll which we will be raffling off for PROJECT ABC in October or November. This years doll is Ms. Molly.

BOARD MEETING NEWS

A joint meeting of board members was held at the guild's new president, Cindy Haverlah's house on May 14, 1999. The Programs schedule for the 1999/2000 season was discussed and it will be a great year!

Raffle tickets for the PROJECT ABC DOLL were distributed and are available now to other guild members thru Mary Spalten. Please call her at 826-8867 to make arrangements to get at least 25 tickets to sell throughout the summer to family and friends. We have found that we have better success the earlier we start selling, thus a bigger contribution to ABC and to those families they in turn help.

KAY ZWART'S ANYTHING GOES GET-TOGETHER

For those of you who were not able to attend the sculpy clay button class in April, Kay has offered to do a "mini-camp" class for those who are interested on Wed June 23rd at 12:30. (Address : 23622 Hartwick Lane, 545-4564.) You will need to bring 4 blocks of different colors of Polymer, Premo, or Sculpy clay. If anyone owns a pasta machine that can be used for the project, please bring it.

For those of you who need help on your beading projects or with any smocking questions, you are welcome too!

A REMINDER:

For those of you who have E-Mail addresses, please call Pat Miller or Kay Zwart with your info. It saves the guild about \$80-100.00 in operating costs and helps to keep our local dues down.. All current members will be receiving a paper copy of the September newsletter with the programs schedule, but we would like to E-mail as many as possible for the following months. Thank You. Signing off until late August!!!!
