

The Alamo Smocker

Thanks

December's program was offered by **Karrie Weber**. We all had such a wonderful time trying out stamping velvet. Our holiday treasures are sure to have royal treatment in the bags we made. Those of you who were unable to attend but had signed up, your kit will be in the guild Library box.

January's Meeting in focus

January's meeting will feature **Our own Debbie France**. Debbie has taught all over San Antonio for several years now. Her expertise in Machine heirloom techniques is what will be show cased at this meeting. No supplies are needed by participants as this will be a demonstration. Please make note that this is not the first Friday of the month.

Goodies for this meeting will be provided by Suzie Walker and Wendy Walsh --- food Marcia Meirer --- Juice

looking ahead to Feb.

At February's meeting we will try our hands at some Picture smocking. This program will be presented by **Jean Johnson** who will show us a simple design which we will do on a one of the guilds Project ABC baby bonnets. This will be a fun way to augment our bonnet supply as well as learn or review a wonderful technique. Jean assures me that the design allows for a taste picture smocking but will be small enough as to not discourage a person new to the technique.

Bonnets that are all pleated up will be provided free of charge as long as the participant agrees to donate it when finished.
